**EXTERIOR SEMI-TRANSPARENT STAINS
AND SEMI-OPAQUE STAINS**

COLOR SELECTOR

Note: This PDF is not color accurate.
Please see actual color card for more
accurate color representation.

ONE COLOR. TWO CHOICES.

Versatile protection for every exterior wood project

Semi-Transparent

Semi-Opaque

705 Russet

Semi-Transparent: Adds subtle color while allowing wood's natural grain and texture to show through.

Semi-Opaque: A unique finish that bridges the gap between full solid color coverage and semi-transparent.

900 Outside White

909 Light Oak

718 Naturaltone Fir/Pine

717 Redwood Naturaltone

727 Cinnamon

716 Cedar Naturaltone

728 Rosewood

700 Sierra

704 Redwood

Caramel

Brick Red

729 Dark Mahogany

Innovative resin technologies now offer you a choice in coatings: our durable, alkyd/oil formula can be used to beautify your home's siding, decks, fences and much more.

Or choose our state-of-the-art acrylic/oil penetrating formula for the look and protection of an oil-based coating—but with low VOC and the soap-and-water clean-up of a latex.

705 Russet

730 Teak

708 Walnut

709 Black Walnut

707 Tobacco

Clove Brown

Note: This PDF is not color accurate. Please see actual color card for more accurate color representation.

Semi-transparent colors add subtle color while allowing wood's natural grain and texture to show through.
